REASONS FOR ALLOWANCE

RCE: A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 8/26/09 has been entered.

1. The following is an examiner's statement of reasons for allowance.

Claim 3 was amended to be in allowable form. New dependent claims 12-14 were added in allowable form. Applicant overcome the 103 rejection by filing a 132 declaration showing how the properties of the claimed compounds exhibit solubility not shared with the following closest prior art compound of Shimizu et al.:

Thus, it was unexpected that the claimed compounds are useful as a filter for electronic display devices.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
